

# Juvenile AGM

Chairperson Muriel Keane opened the meeting by welcoming the large attendance and began by sympathising with everyone who had lost friends or family during the year.

Minutes of last years A.G.M. and reports were circulated and meeting asked that they be adopted as read.

It was a very big year for the club with participation in Feile. As one of the biggest single events in the club it was wonderful to see the participation of players, parents and the community in general. Congratulations to all age groups who did very well in their various competitions.

Muriel thanked all the managers for their work during the year.
